Subject: Use of LJ eLogbooks software version 0.97.x onboard Republic of the Marshall Islands (RMI) flagged vessels

The RMI Maritime Administrator (the "Administrator") has reviewed the above noted MARPOL electronic record book system against the requirements and guidance for the use of electronic record books on board RMI flagged vessels. Based on this review, the Administrator has determined that, provided the requirements outlined in Marine Notice 7-041-5, *Electronic Record Books and Logbook Systems*, are met, this system may be used to fulfill the requirements in section 7.41.2 of the RMI Maritime Regulations to maintain the following Record Books:

- Oil Record Book Part I (Machinery Space Operations) (MARPOL Annex I, Reg. 17.1)
- Garbage Record Book, Part I and II (MARPOL Annex V, Reg. 10.3)
- Record of Tier and On/Off Status of Marine Diesel Engines (MARPOL Annex VI, Reg. 13.5.3)
- Record of Fuel Oil Change Over (MARPOL Annex VI, Reg. 14.6)
- Record of Engine Parameters (NOx Technical Code, Paragraph 6.2.2.7)

This authorization of remains valid for three (3) years and for subsequent software versions provided no major changes have been made. The Administrator is to be notified of any major changes which may require a subsequent review. Owners or operators of RMI flagged vessels intending to install the system on their vessels remain responsible for ensuring compliance with the requirements of Marine Notice 7-041-5.

Any questions concerning verification of this authorization may be addressed to the Administrator via the above email address.

Regards,

David Wamsley  
Deputy Commissioner of Maritime Affairs
